

The beautiful prinsess was named Barbarotte
and the handsome prinse was named Putrick.

Hold on. That's
not even how you
spell princess!

Ha, you're right! This
book is full of typos. Did
it even have an editor?

Yeah, well, if we
get bored, we can count
them for fun!

The prinsess lived in a magnificent castle.

US? Don't we get an
introduction?

I think we're
nobodies!

Speak for
yourself. I'm sure
I'm important.
