

i saw a truck drive by
this morning. DOUCET
was written on it. i Swear.
i think it's marvellous
to see your name
Speed by at 100 Km/h
in a strange city. it's
miraculous.

Sum
mer.

Julie every-
thing reminds
me of you: Earth is
divided into 25 time
zones, each being re-
presented by a letter.
only J is not used.

in the phonetic alpha-
bet Q is Quebec

Hussar 3rd regiment,
the Signal Corps.

he has to learn the
Morse Code!

what?

Some statistics: the Hussar mine clearing expert gets 73 cents bonus for each device neutralized. otherwise, a posthumous medal.

...here we go again

19.08.19.

inverted. too shy. misunderstood.

that i
too felt
exactly
like
that

we seemed
to be cast in
the same
mould!

what was
i writing
for him in
my letters?

what the hell are
you doing in montreal,
couldn't you live closer?

burp!

AWESOME

CATS

Tried

no really, no
joke...

...i must see you, must
talk to you, dunno...

my name is
Donna Strickland,
and i hold a
Nobel price
of phisics

big
for
us!

to make
a long
story
short...

...that summer,
me and a friend
were going
away on a big trip
in Europe.

Will you invite me? OR will you move? OR both?

after that Amsterdam, then back to BRUSSELS.

First 2-3 days in BRUSSELS then a month in Paris

Paris was going to be costless to us because i was trading my apartment with a Parisian i had met the year before in montreal

IT'S OVER

The Parisian's apartment, not the Parisian!

That's when i announce
the news to my
friend the Hussar.

julie, you are
delightful.

open
tickets

we buy
our plane tickets
beginning of
may.
