SOILED METALLIC AVALANCHE IS THIS WAY (I THINK). IF WE GET THERE BEFORE SUNSET WE CAN DRINK LOTS OF COFFEE AND STAY UP ALL NIGHT!

BUT WHAT IF MOM'S TELLING THE TRUTH?

HOW ARE WE EVER GOING TO KNOW WHAT'S REAL UNLESS WE TEST IT FOR OURSELVES?

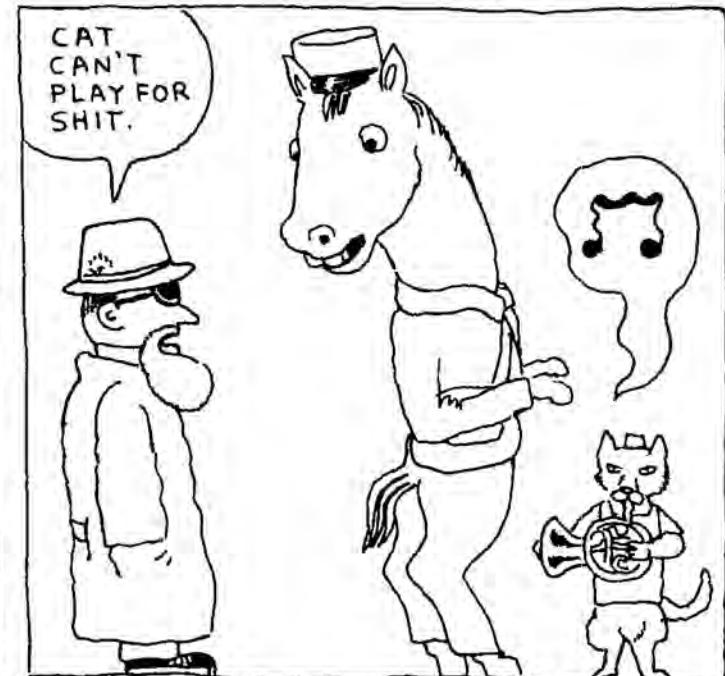

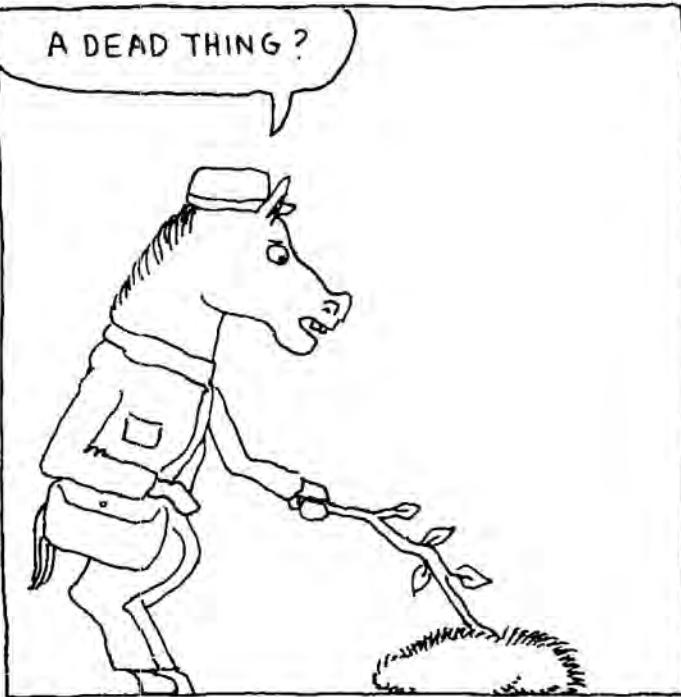

SPOKEN LIKE A TRUE CHILD OF SCIENTISTS!

WHAT COULD THE POSSIBLE BENEFIT BE OF A MACHINE THAT SEPARATES OBJECTS FROM THEIR SHADOWS ?

WELL THERE MUST BE SOMETHING OR ELSE I WOULDN'T BE GETTING SO MANY EMAILS FROM TECH COMPANIES.

I NEVER RESPONDED...
MY BABY IS MINE ALONE,
FOR NOW.

EVEN GAVE MY
PHONE AWAY TO
THAT HORN PLAYER
IN SEATTLE.

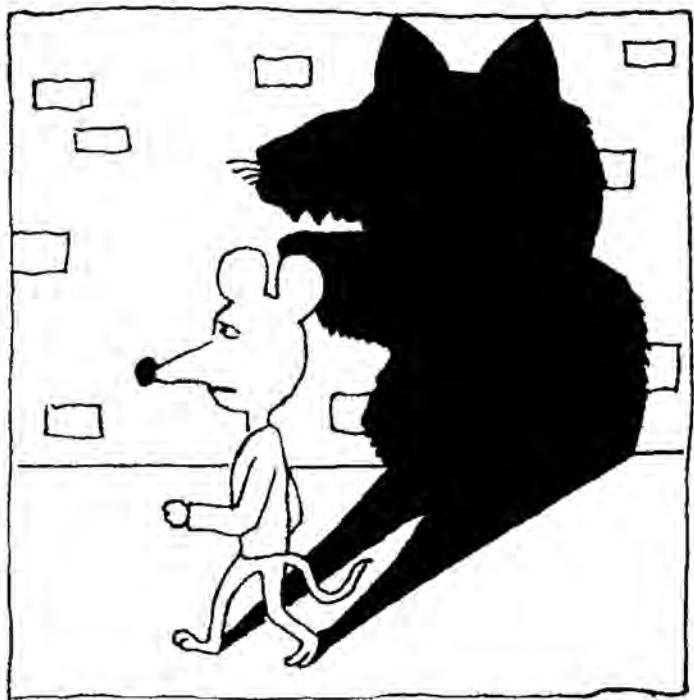

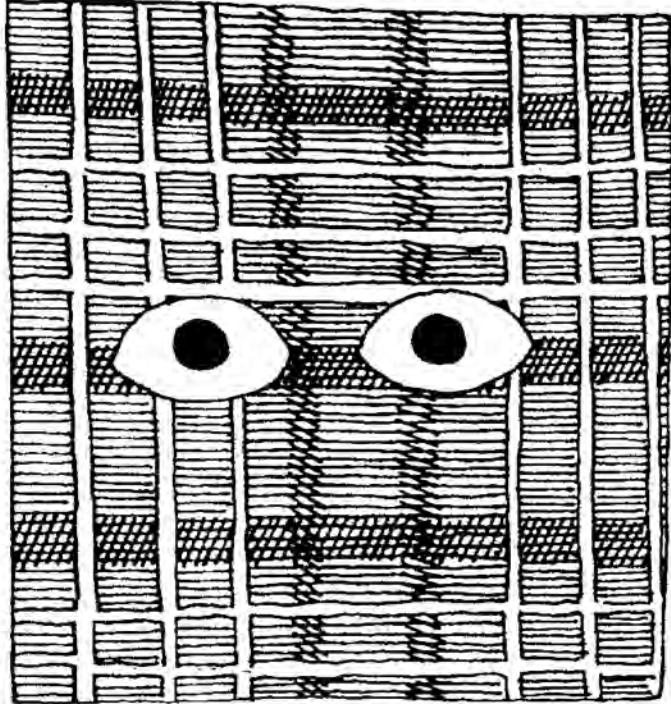

I FUNDED MY OWN
RESEARCH AND
I'M KEEPING MY
RESULTS UNDER
MY HAT.

IN FACT...
MY RESULTS
ARE MY HAT!
