

Do I wish
I could shine
brighter?

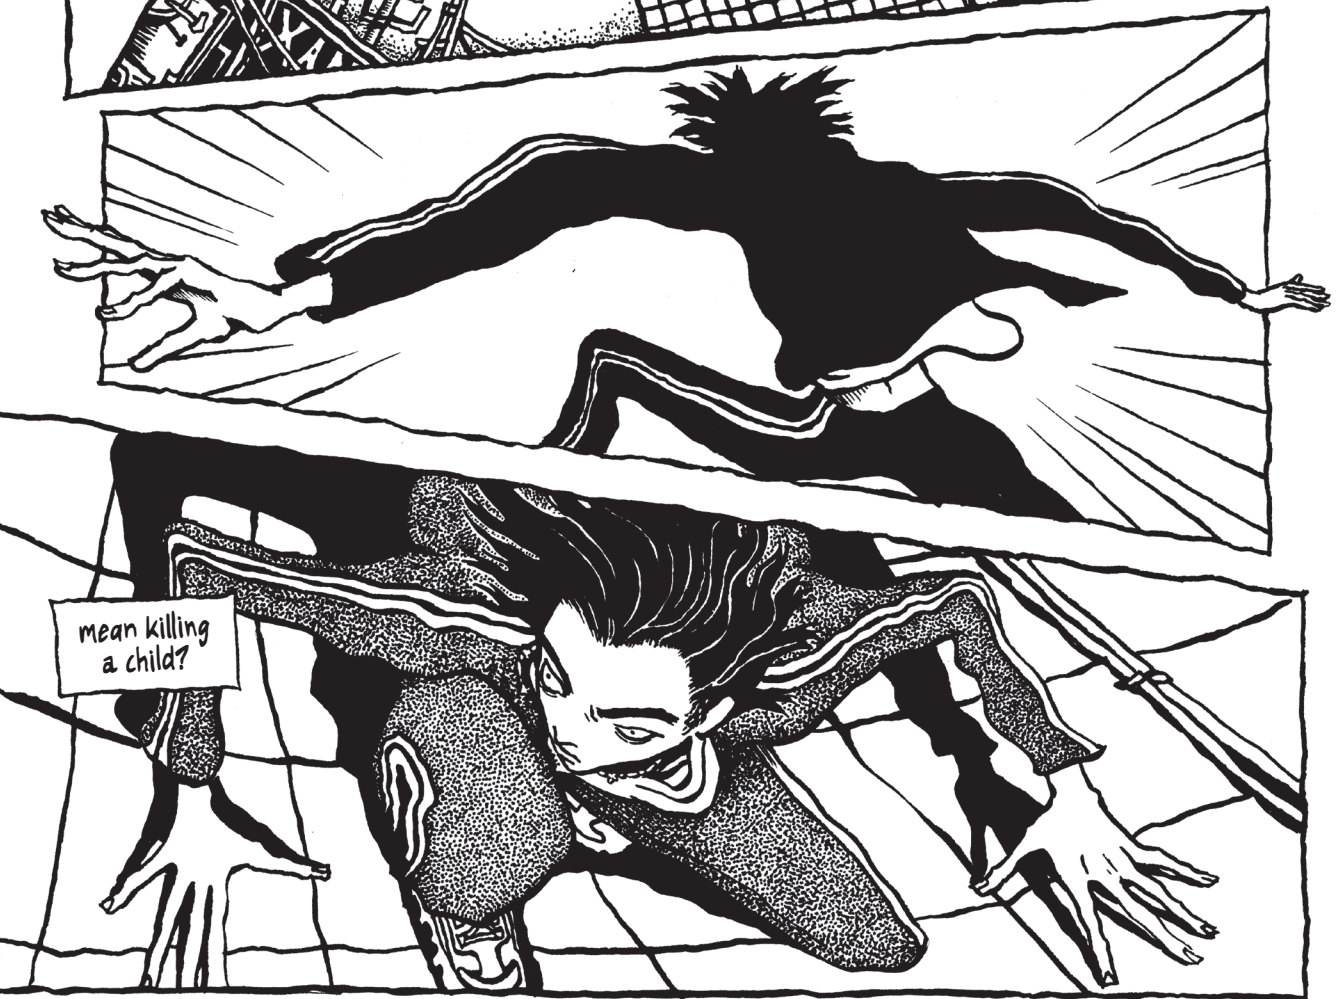

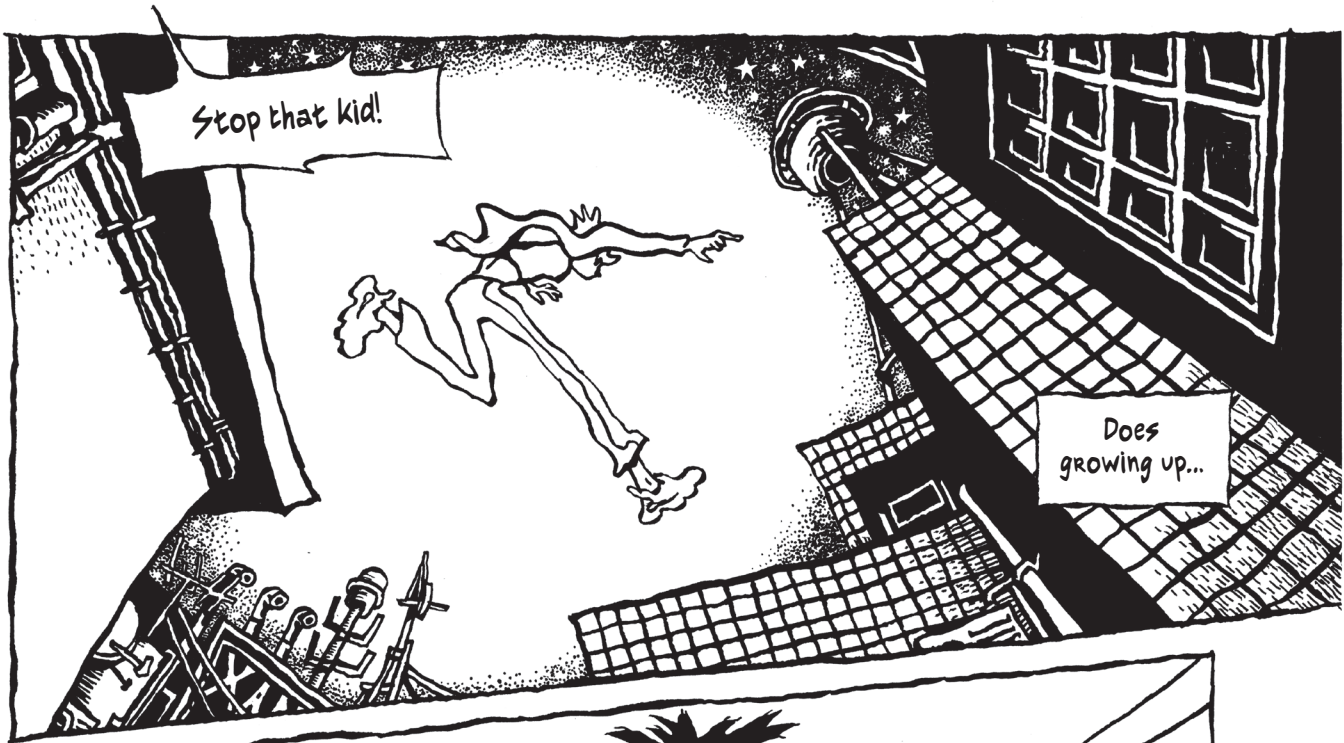

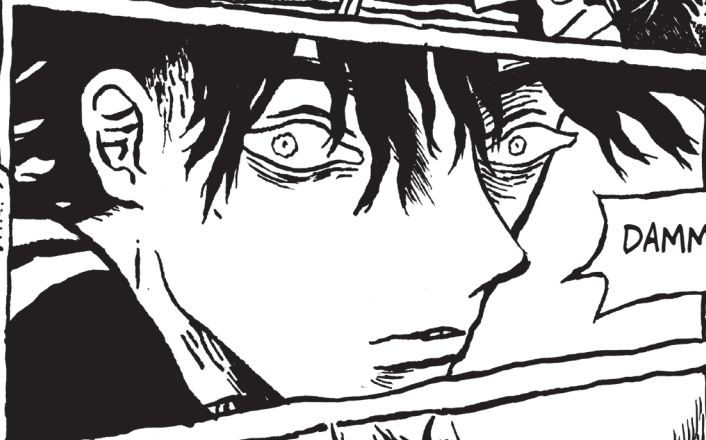

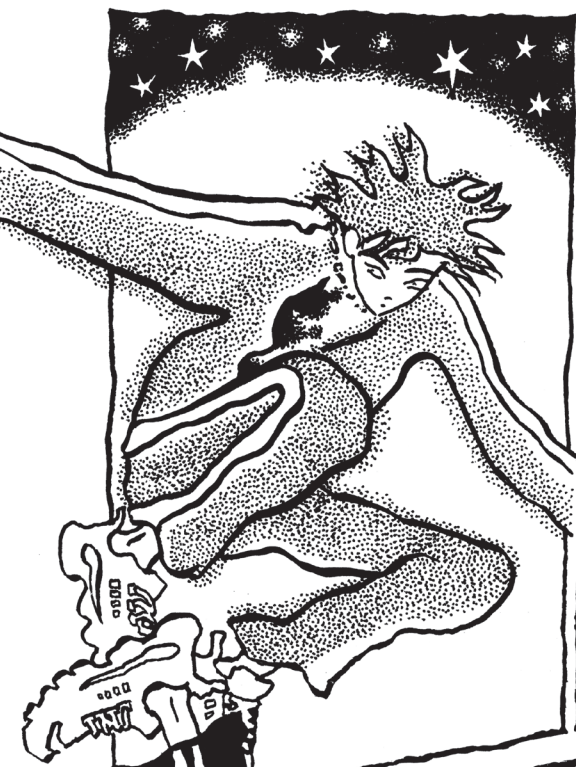

YOU

Shit

DAMMIT!

HE JUMPED.

Magda's
going to
laugh when
she hears
about this.

Actually...
Maybe not

And there's my bro Carmen.

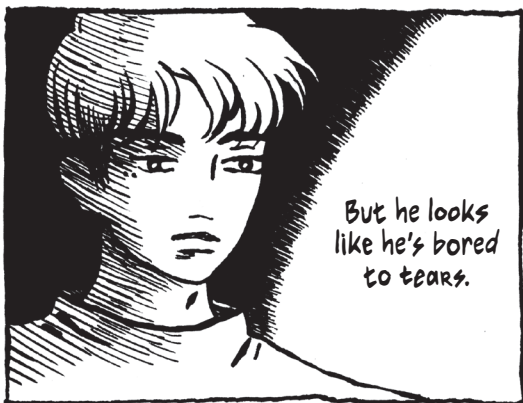

Isn't anyone sleeping?

Ha, ha! Watching bad porn...again!

But he looks like he's bored to tears.

Who's crazier?
Him or me?

I wonder if
he'll be sad

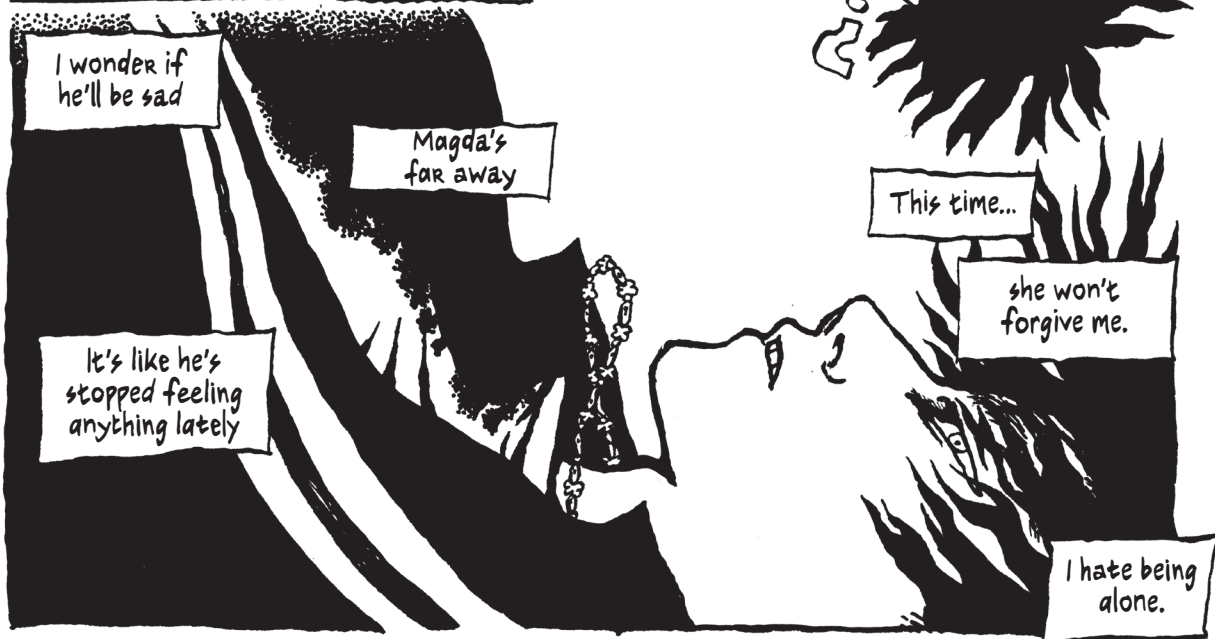

Magda's
far away

It's like he's
stopped feeling
anything lately

This time...

she won't
forgive me.

I hate being
alone.

When the
party's
over

I want
everything
to turn off
inside me

I want
it all to
collapse
