A MATADERA

Come on! No.

We're really nice.

And rich!

No groups of guys.

I'm not with them.

But we're not a group of guys. Hey there, you're our girlfriends, aren't you? Eh?

Okay...

Hi, Gary!

I was all the way upstairs. Shame I didn't make it to your party, everything went a bit crazy the other day...

Total chaos...

What did I miss?

Hmm, quite a lot of people came... Waldo, Linda, Isis, Eric, Deborah... It was okay.

There was ice-cold vodka!

Everyone was sorry you weren't there.

The missing ingredient.

Yes, the secret ingredient, like Coca-Cola.

Like the little cherry on the top. Well, it's my loss.
