

Told my Judo group
that I won't be there
for the tournament
tomorrow.

But they'll be fine,
I'm really proud
of them.

Got them a nice substitute. Good guy.

And signed out.

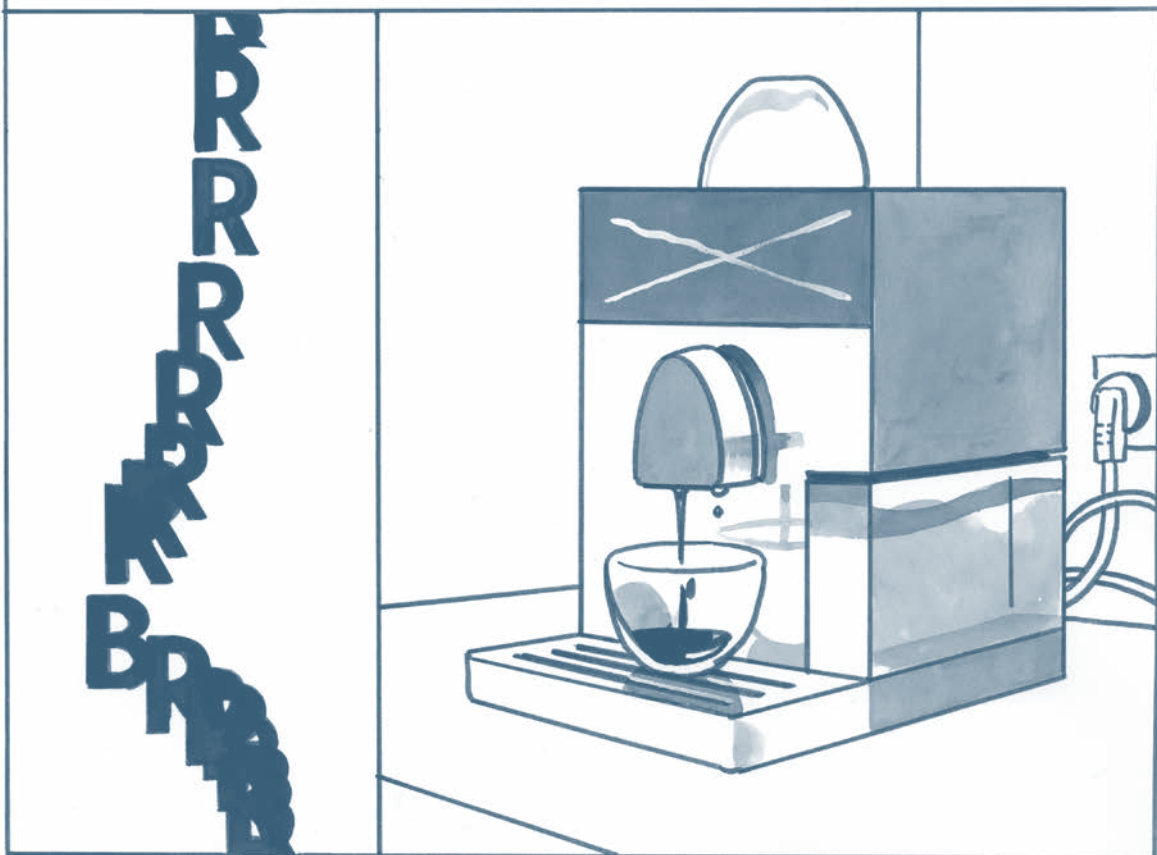

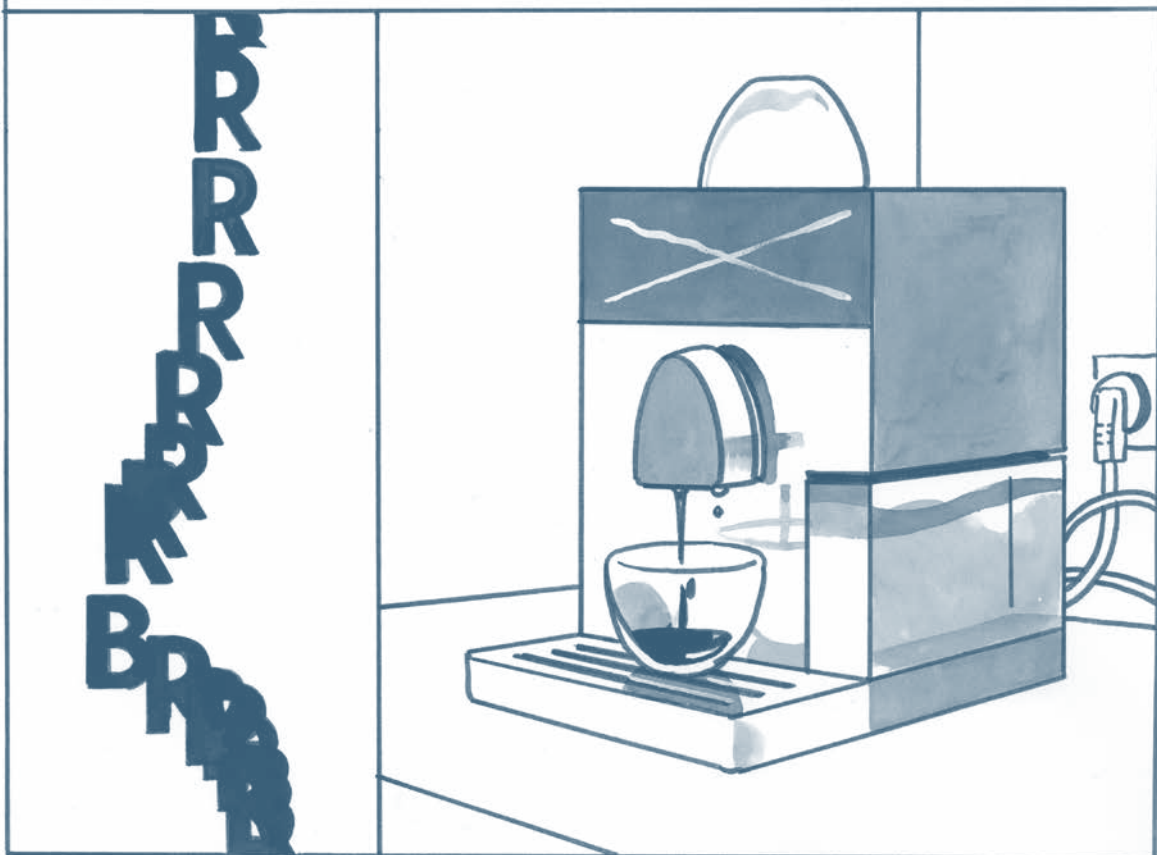

Clandia can sleep in today so I'll fry up some eggs for our girls.

A cartoon illustration of a man in a white shirt and dark pants cooking in a kitchen. He is standing behind a white counter, holding a long, thin, yellow egg that is being cooked in a frying pan. The kitchen has a white wall and a window with a view of greenery. On the counter, there is a small black coffee maker and a glass. The man has a surprised or excited expression on his face.

A cartoon illustration of a man with a beard and glasses, wearing a white long-sleeved shirt and dark trousers. He is standing at a kitchen counter, leaning forward with his left hand on the counter and his right hand holding a mobile phone to his ear. He appears to be talking on the phone. On the counter in front of him is a frying pan with food cooking in it, and steam is rising from the pan. The background is a simple white wall with a dark horizontal line representing the counter. In the top right corner, there is a speech bubble containing the text: "Call diversion for my boss."

Old Doktor Baumgartner sure likes to give me a ring on the weekends.

A cartoon illustration of three men in a hallway. The man on the left is shouting into a telephone receiver. The man in the middle is running towards the right, also shouting. The man on the right is running away from the viewer, shouting. A sign above a doorway on the right says "BIP".

Now.

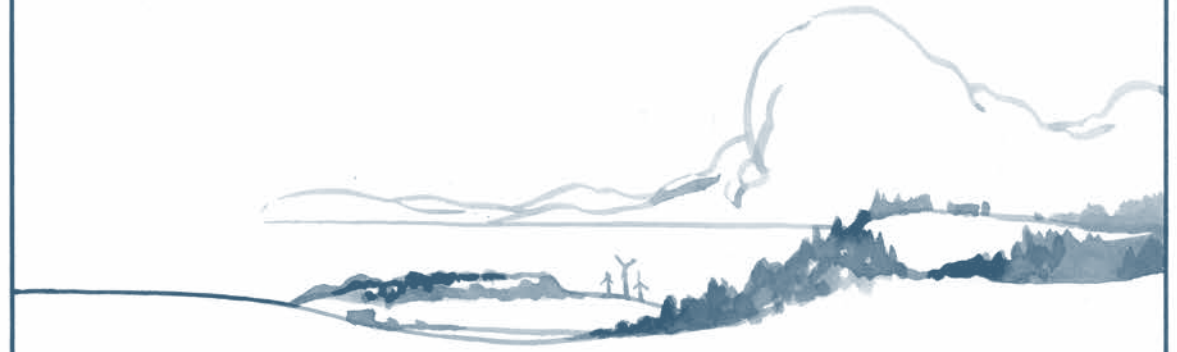

I'll get Volker.

Step on the gas.

Fly down to you.

And pour some drinks.
